Email joe_gastring@yahoo.com

Address Granbury, TX 76049

Hard-working professional with 15.5+ years of experience and a proven knowledge of web design, diagnostic testing, and web page content. Aiming to leverage my skills to successfully fill the Web Developer role at your company.

EXPERIENCE

Student

Coder Foundry, Kernersville, NC

Mar 2022 - May 2022

Spent over 700 hours building 6 coding challenge websites, and 3 Full-Stack projects for my Portfolio.

The coding challenges are built using HTML, CSS, Bootstrap and JavaScript.

Full-Stack projects are built with MVC, ASP.NET6, and SQL Server using LINK statements to access and manipulate data.

Foreman

Dynamic Systems Inc., Dallas, TX

Aug 2015 - Mar 2022

Performed pipe fabrication, installation and fitting according to proper specifications.

Identified and located required tools prior to starting each project.

Hoisted loads using slings, chains, shackles, hooks, cables and other rigging equipment.

Cut and beveled piping using cutting torches, saws and threading machines.

Performed emergency on-call work hours during the evening, weekends and some holidays.

Prepared project bids, including parts, labor and equipment needed for each project.

Communicated with customers regarding recommendations on repairs, replacements and upgrades of mechanical equipment.

Coordinated schedules with various construction departments in mechanical works for new and existing buildings.

Foreman

Jackson and Blanc, San Diego, CA

Nov 2010 - Jul 2015

Same duties as previous employer.

Infantry Fire Team Leader

United States Marine Corps, Camp Pendleton, CA

Oct 2005 - Nov 2009

Led an infantry team of 4 members in combat operations, including providing tactical guidance.

Received and implemented combat orders and directed deployment of personnel in offensive, defensive and retrograde operations.

Effective decision-maker in high-pressure environments.

Directed supporting fire to suppress enemy fire and allow troops to maneuver the area. Located and disabled improvised explosive devices (IEDs).

EDUCATION

Associate in Science (A.S.) In Construction Management

San Joaquin Valley College, Modesto, CA

Sep 2016

ADDITIONAL SKILLS

- Works Well in High Pressure Environments
- Team Collaboration
- Time Management
- Attention to Detail
